## JD-240 Automatic Taping Machine

*A tabletop machine for easy, quick paper banding.*

# The Easy, Time-Saving Way to Paper Band Products

Felins, the first name in quality tying and bundling equipment now brings you the quick and simple way to paper band products — the Felins JD-240 Automatic Paper Taping Machine. A tabletop unit, the JD-240 offers uniform, secure banding of a wide variety of products, from delicate wedding invitations to die cut labels, mail, currency, posters, business cards and brochures.

The JD-240 uses white or brown paper tape with a heat seal adhesive to ensure a tight seal without leaving a stain or residue on the bundled product. Several times faster than hand banding (up to 25 cycles per minute), the unit requires very little table space, is simple to thread and operate, and economical to use.

Each machine is calibrated for a single width of tape, and features a patented mechanism for smooth tape feeding and taping. Available calibrated for 20 mm ( $\frac{25}{32}$ " ), 25 mm ( $\frac{31}{32}$ " ), 30 mm ( $1\frac{5}{32}$ " ) or 40 mm ( $1\frac{1}{16}$ " ).

## Performance

**Banding Size:** Maximum width 240 mm (9.3"), minimum 30 mm ( $1\frac{5}{32}$ " )  
**Banding Speed:** 25 cycles/minute

## Specifications

**Height:** 400 mm (15.6"), table height 230 mm (8.8")  
**Width:** 435 mm (16.9")  
**Depth:** 287 mm (11.2")  
**Weight:** 23 kg (51 lbs)  
**Power Supply:** 50-60 Hz, 115V

60# heat seal paper tape also available for tougher banding needs. Rolls are 440' long.

## Specification of Kraft Paper Tape

Width:	Basic Weight:	Color:	Length:	Rolls/Carton:
20 mm ( $\frac{25}{32}$ " )	40 lbs	white or brown	180 M (600')	38
25 mm ( $\frac{31}{32}$ " )	40 lbs	white or brown	180 M (600')	30
30 mm ( $1\frac{5}{32}$ " )	40 lbs	white or brown	180 M (600')	26
40 mm ( $1\frac{1}{16}$ " )	40 lbs	white or brown	180 M (600')	18

One, two, or three color printed tapes also available.

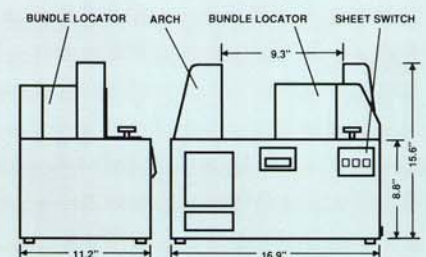

## Also Available:

### The JD-150F

#### For Plastic Tape Banding

Need a clear plastic band for premium products? The JD-150F utilizes a clear cast polypropylene tape, heat seal, to bundle pharmaceuticals, food packages, lottery tickets, or anything for which a clear band is desirable.
