

RPT-16

Felins RPT-16 Rotary Pak-Tyer is available for quick and automatic tying for a wide range of bundling applications. These semi-automatic units can bundle as fast as an operator can feed it.

Easy to use, it plugs into any standard wall outlet and is designed for years of rugged use. The RPT-16 tyer uses a variety of materials, including the low cost 2800 PE banding material, or 8-10 ply cotton twine, to reduce your daily operating costs.
